

Santa Clara County's 1st Peer Respite Home is hiring!

This November, FCS, a division of Caminar, will open the first peer respite home in Santa Clara County.

This program will offer a safe, supportive, and voluntary option for adults living with mental health conditions who are experiencing or at-risk of a psychiatric crisis. Across the country, this model of support has proven effective as a healing, strengths-based alternative to hospitalization.

Join the team!

Positions include: Program Supervisor (Full-Time), Outreach Worker (Part-Time), Peer Support Workers (Full-Time, Part-Time, On-Call; Day, swing, and overnight shifts). All positions are for peers with lived experience of mental health symptoms.

Please see reverse for position descriptions.

Position Descriptions

Peer Support Worker

Direct service position that focuses on positive engagement with respite guests. Staff in this peer position apply their life experience and training to empathize with, support, and empower guests staying at the respite house.

Positions may be full-time, part-time, or substitute, with day, swing, and night shifts available.

Peer Outreach Workers

Supports community outreach and engagement with potential guests, resources, and referral sources. Staff in this position use their lived experience and training to interact with the surrounding community.

Positions are part-time. Outreach Workers may be substitute for Peer Support Workers as needed.

Respite Supervisor

This management/supervisor role oversees the program operations, workflow, and safety for staff and guests and the success of the peer respite program. Staff in this role will run supervisory groups for peer support works, manage scheduling of staff, order supplies, and network within the community.

This is a full-time, exempt position that may require day, swing, and night schedules.

Full job descriptions will be available at **Job Fair** on Friday, September 28. Or, starting September 28, you may view descriptions and apply online:
