

## Thank you for your input!

### In the **Client Satisfaction Survey**, we heard:

- \* Staff turnover is challenging
- \* About 25% of clients could be more involved in their service/ treatment planning

## Here's what we're doing about it.

- \* We are getting the word out far and wide to recruit new staff
- \* We're focusing on keeping our current staff around longer (e.g., benefits, job satisfaction)
- \* We're committed to listening to what YOU want and need to work on together
